Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clarksburg Public Safety Complex Construction in Fiscal Year 2027. The entity to receive funding for this project is City of Clarksburg located at 222 West Main Street, Clarksburg, WV 26301. The funding would be used for the construction of a comprehensive public safety complex that includes a Police Training Facility, emergency training pad, and fire hall. The project is an appropriate use of taxpayer funds because it constructs a community facility that is essential to maintaining rural public safety.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Riley Moore".

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Doddridge/Ritchie EOC Interoperability Enhancement in Fiscal Year 2027. The entity to receive funding for this project is Ritchie County Commission located at 115 East Main Street, Room 201, Harrisville, WV 26362. The funding would be used for the upgrade of the counties' Emergency Operations Center radio system, installation of backup generators at 911 towers, purchase of a specialized tower support and maintenance vehicle, and a roof replacement of the EOC. The project is an appropriate use of taxpayer funds because the current system relies on outdated equipment and provides insufficient coverage to large areas of two rural counties. These critical updates ensure the well-being of citizens and first responders through the improvement of this essential community facility.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Riley Moore". The signature is written in a cursive style with a large initial "R".

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Aerotech Park Utility Extension in Fiscal Year 2027. The entity to receive funding for this project is City of Bridgeport located at 515 W Main St., Bridgeport, WV 26330. The funding would be used to extend wastewater facilities to the Aerotech Park. The project is an appropriate use of taxpayer funds because it provides reliable sewer service to existing and new residents and businesses, allowing for continued growth and development of the area.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Baker Alternative Water Source Project in Fiscal Year 2027. The entity to receive funding for this project is Hardy County Public Service District located at Box 900, Moorefield, WV 26836. The funding would be used to develop a secondary groundwater source to replace a water source that has experienced consistently elevated levels of PFOA and algae blooms that contain cyanotoxins. The project is an appropriate use of taxpayer funds because it ensures safe, reliable water service to the Hardy County community.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bath Water Plant Restoration and Expansion in Fiscal Year 2027. The entity to receive funding for this project is Town of Bath located at 271 Wilkes St., Berkeley Springs, WV 25411. The funding would be used to upgrade the aging water treatment facility that includes raw water pumping, chemical additions, packaged filter systems, disinfection, chlorine contact time, and high service pumping to a public distribution system. The project is an appropriate use of taxpayer funds because it is necessary to increase the functional capacity of the aging infrastructure to maintain health, safety, and a reliable operational standard for the public.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

I am requesting funding for the Buckhannon Water Treatment Plant in Fiscal Year 2027. The entity to receive funding for this project is City of Buckhannon located at 70 E Main Street, Buckhannon, WV 26201. The funding would be used to construct a new water treatment plant and place distribution lines. The project is an appropriate use of taxpayer funds because it ensures public health and safety of residents by replacing the existing facility which suffers several major deficiencies and violations.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Greater Marion Public Service District Sanitary Sewer Rehabilitation in Fiscal Year 2027. The entity to receive funding for this project is Greater Marion Public Service District located at 44 Aberdeen Dr., Worthington, WV 26591. The funding would be used to replace Greater Marion PSD's failing vacuum sewer infrastructure with a modern gravity collection system. The project is an appropriate use of taxpayer funds because it will ensure public health and safety by providing reliable sewer service.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S. C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Grandview-Doolin Hundred-Littleton PSD Water Interconnection in Fiscal Year 2027. The entity to receive funding for this project is Wetzel County Commission located at 255 Main Street, New Martinsville, WV 26155. The funding would be used to interconnect the struggling Hundred-Littleton PSD to the Grandview-Doolin PSD, enabling Grandview to provide water service. The project is an appropriate use of taxpayer funds because Grandview-Doolin PSD operates a reliable, relatively new water treatment plant and can provide essential water service to the additional customers in a cost-effective way.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Moundsville Water Systems Improvements in Fiscal Year 2027. The entity to receive funding for this project is City of Moundsville – Moundsville Water Board located at 800 Sixth Street, Moundsville, WV 26041. The funding would be used to replace deteriorated water lines and add a new storage tank to reduce water loss and meet required storage capacity. The project is an appropriate use of taxpayer funds because it will ensure reliable service for current customers and reduce the impact to West Virginia resources by reducing water loss and improving system function and efficiencies.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I am requesting funding for the Union Williams PSD Water System Improvements in Fiscal Year 2027. The entity to receive funding for this project is Union Williams Public Service District located at 271 Wilkes St., P.O. Box 243, Waverly, WV 26184. The funding would be used to upgrade an aging water treatment plant and distribution system including the installation of a new pretreatment system to remove PFAS. The project is an appropriate use of taxpayer funds because the current groundwater supply wells have consistently elevated levels of PFAS and upgraded systems are necessary to ensure public health and safety.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.
